2008 Rules & Regulations

1. Parade entrants must observe all applicable rules and regulations or be barred from the parade. The Tualatin Chamber of Commerce and the Tualatin Crawfish Parade Committee reserve the right to remove from the parade either prior to assembly, at assembly, or at any time during the parade, any entrant not conforming to rules and regulations, or any entrant refusing to follow instructions of police or parade officials.

2. The parade formation and staging area is at the east end of the K-Mart parking lot. All parade entries MUST check in at the registration desk in order to receive their number.

3. After checking in at the registration table, you and your parade entry MUST remain in the designated parade area to be judged beginning at 8:30 am.

4. **No vehicle will be allowed to park in the formation area, unless it is part of an actual entry**. Vehicles may park in the parking lot outside the parade formation area. There is plenty of parking available in this area.

5. Entries may be historical, humorous or modern in design, as long as they are in good taste and promote the goals of community spirit and civic pride.

6. Entries advocating, opposing or depicting any political or social issues will not be allowed, although individual political candidates may participate. No entry shall display material offensive or discriminatory to any race, religion, sex, national origin, age, marital status or sexual orientation.

7. All floats and decorated cars should carry out the parade theme which is "**Crawfish of the Caribbean**." Any vehicles with a business name and no other form of decoration on it must be approved by the parade committee first. The parade is not a forum for overt commercialization. Classic cars do not need additional decoration.

8. Printed literature, samples, gifts, etc. are not to be distributed as they cause a litter problem. We don't want any children running into the streets in front of cars, so candy should be tossed gently, toward the crowd, at foot level. Motorized entries must have someone other than the driver tossing candy.

9. All motorized entries must be properly licensed vehicles, have a full tank of gas, good working brakes, and be driven by a licensed driver.

10. Amplified sound will be allowed only for recorded or live performance music. Sound may not be plainly audible beyond 100 feet from the roadway.

11. All parade entries containing horses need to have a designated 'waste pick up person' following closely behind the horses with a shovel and bucket/wagon to quickly pick up horse piles on the street. Entries that do not have this type of a person will not be allowed to enter the parade.

12. The parade disbands in the alley way behind West Coast Bank (near the intersection of Seneca and Martinazzi Streets). Parents may pick up their children at this location after the parade and walk the short distance to the K-mart parking lot (where the parade began) to their cars.
